I was born on the 23rd of June 1984 in San Fernando, Pampanga. I am a very patient person that loves challenges and entertains opportunities that would enable me to grow professionally. I have excellent communication, problem-solving and analytical skills. I also possess strong leadership capabilities. I'm a highly effective team player that understands the value of working together towards a common goal. I am a kind-hearted person that attracts good people. Upbeat, focused and well organized, exploring for a long-term career to realize further potentials
